

## European Theatre Networking with Ukrainian theatre makers and theatres

### Scholarship Program - Call for Applications

The European Theatre Convention is the leading network of public theatres in Europe with 40 member theatres in more than 20 countries. As connecting link between cultures and cultural institutions in Europe it brings together Europe's theatres and theatre makers in dialogues, exchanges and collaborations. The concerning political situation in the Ukraine gives reason to strengthen ETC's ties with theatres and artists coming from the country currently in crisis to build bridges and connect with partners in the ETC network. The new program **European Theatre Networking with Ukrainian theatre makers and theatres** aims to do just that.

As part of the program, scholarships will be awarded to five young theatre makers from Ukraine to attend the next major ETC events. From 27<sup>th</sup>-30<sup>th</sup> November 2014, this year's ETC international theatre conference "The Future of Europe" will be held at the Staatstheater Braunschweig, Germany, which will be attended by more than 70 artistic directors, dramaturges and artists from more than 20 countries. In parallel to the conference, the 4<sup>th</sup> edition of the successful European festival "Fast Forward" with more than 150 guests will take place. At the conference a special focus will be given to European networking with Ukrainian theatre makers. During these events the ETC will facilitate an exchange between theatre institutions as well as theatre makers and young artists from the Ukraine with theatre colleagues, conference and festival participants from across Europe to nourish the building of long-term relationships and the creation of new professional perspectives.

#### **The Scholarship:**

This scholarship program provides five young Ukrainian theatre makers with the unique chance to be invited to attend the next ETC international theatre conference and festival in November in Braunschweig. In the context of these major European theatre events, they will be given the opportunity to connect with the over 200 festival and conference participants from all over Europe to exchange views on current artistic, cultural and political issues and establish important professional contacts. They will **attend the conference and the "Fast Forward" festival, performances and talks, travelling to Braunschweig, Germany from November 27 – December 1, 2014.** During the conference, scholarship fellows will present their work to the international theatre community. As part of the scholarship, all **travel and accommodation and the necessary visa will be organized and covered** by the ETC. The scholarship fellows will be part of a delegation consisting of five selected young theatre makers and five invited theatre directors of Ukrainian contemporary drama theatres.
