YOUNG EUROPE III: Kick off meeting

De Toneelmakerij, Amsterdam

AGENDA

Saturday, 20th January

Individual arrivals and possibility to see a performance in the evening

Please, make your individual ticket arrangements for the performances on Saturday.

Suggestions:

- **Clean city** (a documentary based performance from Athens)
<https://stadsschouwburgamsterdam.nl/voorstellingen/12954-clean-city>
This performance from Athens seems to be interesting but it is in Greek with Dutch surtitles. It touches upon our subject of documentary based theatre and nationalism. Paulien Geerlings will go there.
- **Romeo and Julia** (an adaptation)

- **Jakop Ahlbom/Innenschau revisited** (no language)

- **Maatschappij Discordia**
<https://www.frascatitheater.nl/weiblicher-akt-8>
This company has been of great influence upon Dutch and Flemish theatre, especially actors collectives like TG STAN.

Sunday, 21st January

10-11h **Common parts of the artistic collaboration**

- Documentary based theatre
All partners are asked to bring some examples of documentary based theatre to get an idea and inspiration of the wide variety of forms in this genre.
- Common topic / assumptions and research approach
We define our theme and research question (nationalism, families) and discuss how intense our research will be. Do we focus mainly on quality research to inspire playwrights and directors or do we want to get into quantitative research as well? In that case: How scientific should our research be? What is our aim?
- Toneelmakerij presents the online tool created for the ETC - Nadia project
We discuss if we can use this tool in our research for Young Europe III.
To prepare see: www.searchingfornadia.eu

11-12h **Collaboration framework**

13 – 14h **Joint lunch at De Toneelmakerij**

14 – 16h **Individual working time for the three collaboration teams**
